Singing really can be EZ!

Hollywood, CA, September 16, 2005 -- *Roger Burnley's EZ Vocal Method™*, the perfect prescription for singers of all levels and styles, has just been released in a DVD/CD combo package. Now you can actually study with renowned Hollywood vocal coach Roger Burnley in your own home and master this new technique that will revolutionize the way you think about singing.

"This Method is so easy to grasp and understand that I guarantee an immediate improvement in the quality of your voice – even if you're a beginner," Burnley states with conviction. "Once you truly comprehend the physical components responsible for creating sound, you'll really 'get' how to exercise your voice to obtain its maximum potential."

Roger Burnley's EZ Vocal Method™ teaches you how to create new sense memories that will not only consistently produce your desired notes, but will truly free your voice in the process. You won't be worrying about your voice cracking, or if you'll be too hoarse the day after a concert to even speak. You'll increase your range, power and control, giving you the confidence to perform anytime of the day or night – guaranteed!

This instructional DVD/CD combo is available at RogerBurnley.com, as well as at Amazon and other online retailers. *Roger Burnley's EZ Vocal Method™* retails for \$29.95.
